

WHITELEY SURGERY

Fees For Non General Medical Services 2016-2017

The Practice has a commitment to provide general medical services to all our patients, and this is covered under the NHS. However, certain services are not provided under the NHS and in these cases the doctors can charge a fee.

Some drugs are not available via the NHS, (eg: travel vaccines) which the surgery purchase, again a charge is levied.

The Surgery aims to keep all these additional expenses to only those necessary, or as requested by the patient.

ALL SERVICES MUST BE PAID FOR BEFORE THE WORK IS UNDERTAKEN BY THE DOCTOR AND IF AN APPOINTMENT IS MADE BUT NOT ATTENDED THEN THE PRACTICE RESERVE THE RIGHT TO REFUND HALF THE FEE. (Please cancel appointments in good time to allow another patient to be seen by the GP) *Thank you.* Payment accepted by Cash or Cheques made payable to 'Dr Roope & Partners'.
